BACKGROUND

SOUTHERN LOGISTICS & PROJECTS (PTY) LTD is a South African courier and logistics company, specializing in delivery services for stationery, goods, letters and parcels in South Africa and neighboring countries.

It was founded in 2021 by Mr. Luke Sithole, **Southern Logistics & Projects** looks to stretch all its market not only around South Africa but as far as across the borders to neighboring countries.

At Southern Logistics & Projects we take great pride in innovating through technology while continuously striving to develop our service offering and finding new ways to enhance the customer's experience while keeping things simple so that doing business with us is perfectly convenient.

Southern Logistics & Projects is committed to BEE compliance and hold a level 2 contribution with a value adding enterprise status, a rating we're proud of yet continuously striving to improve on. The company is 100% black owned.

Vision and Mission

OUR VISION

Southern Logistics & Projects's vision is to be recognizable, influential and successful and sustainable in the market that we operate while providing an environment for our people that is stimulating, rewarding and proudly South African. Southern Logistics & Projects will be the market leaders by offering excellent service, value, reliability and tailor made logistics solutions. We will do this empowering our staff facilitated by continuous training and leading edge systems.

OUR MISSION

- To be a vital link within our clients supply chain in a way that satisfies the client and company, partners and team members whilst giving back to our clients. We exist to provide safe, customized, on-time and reliable logistic services.
- We value our employees and enable them to develop and utilize their full potential aligned with the company objectives and values.
- We integrate improvements in our company improvements in our system to guarantee our stakeholders of continuous profitability.

OUR QUALITY POLICY

We provide efficient delivery

- Surface preparation and preservation
- Machining and fabrication
- Clean packaging
- Safe Handling
- Safe Packaging
- We exceed customers' expectations. We continually improve our processes so that we can deliver cost effective and defect free products and services to all our local and external customers on time, all the time.

APPROACH

We offer a fully integrated service from a fully committed and equipped team, capable of meeting every related need. Regardless of your requirement, our approach remains the same. Our first priority is to gain a thorough understanding of the requirements of your business and then efficiently dealing with each task as they present themselves.

CORE VALUES

We always strive to glorify God in all that we do through our day to day duties.

Teamwork:

We work together as a unified team to ensure that all clients receive world class service. Two are better than one because they bring a good return for their labour. The more united we are the more we perform to the client's satisfaction.

Communication:

We believe that communication with a kind and tame tongue amongst internal and external stakeholders is key to success.

Honesty & Integrity:

We strive to be known as people's integrity and conduct our business honestly.

Innovation:

We are proactive, challenge ourselves to be better than we were yesterday and strive to create new ideas that make us and the company better.

Work is Fun:

We create a positive work space and build strong relationships with co-workers and clients
